LISTINGS FOR PENDING AND CLOSED DISABILITY CASES

Ref to: E-Mail 92126, 93014, 93037, and 93118

The purpose of the E-Mail is to inform you that beginning in October 1993 all 58 counties will be receiving from the Department of Social Services, State Programs Bureau (DSS/SPB) quarterly computer listings of pending and closed disability cases. The Department of Health Services (DHS) worked closely with SPB and county staff to develop a system to generate these reports. SPB mailed the initial quarterly listings to specified counties during the first week of August 1993.

The August listings were ONLY sent to those counties that, when initially surveyed in late 1992, indicated they wanted to receive the pending and closed disability case listings on a routine basis. The content of the listings sent were similar to those sent during the "test" run in January of this year. Enclosed with each listing was a cover letter developed by SPB which explained how to use the listings.

After the August mailing was completed, DHS with the assistance of SPB and county staff participating in the Medi-Cal Applications Based on Disability committee determined that it would be beneficial for all 58 counties to receive quarterly status listings. The initial listings are scheduled to be released to all 58 counties by mid to late October 1993. A cover letter, written by SPB, will be attached to each listing which will explain its use.

The new process will eliminate the requirement for counties to send a 70-day status letter. Specific procedures for the 70-day status letter is described on page 4A-14 of the Medi-Cal Eligibility Manual. These procedures are now obsolete. New procedures are currently being prepared and will be mailed out as a Medi-Cal Eligibility Manual update.

This E-Mail will not be followed by an All County Welfare Directors Letter. If you have any questions, please contact RaNae Dunne at (916) 657-0714.

Sincerely,

Frank S. Martucci, Chief  
Medi-Cal Eligibility Unit
